21 bitten by dogs yesterday.

#### BRICK STRIKE SITUATION

The only real change in the brick-makers' strike is the announcement from William Schlake, president of Cook County Brick Manufacturers' Association, that next Monday they will begin moving brick.

Union men are puzzled as to why the contractors and other powerful business interests have consented to a tie-up of building construction for twelve weeks at a cost of thousands of dollars a day when a few hundred dollars only was involved at the brickyards.
